Providing us with as much information as possible about your concern will help us to address and resolve it efficiently and effectively.

We will work to accommodate differing communication needs, such as a hearing impairment or linguistic diversity, to ensure that the feedback process is accessible to all. This can include working with a third party you have nominated to represent you.

Please be assured that any concerns or feedback is treated seriously and will be addressed promptly and fairly.

What happens after a complaint has been lodged?

We will acknowledge your complaint within one business day of its receipt.

The complaint will be investigated, and action initiated to resolve the matter.

- If your complaint relates to the Future Super superannuation fund, a written response will be made as soon as possible and within 45 calendar days of receiving your complaint (unless the complaint relates to a death benefit distribution, in which case we'll respond no later than 90 calendar days after the expiry of the 28 calendar day period for objecting to a proposed death benefit distribution).
- If your complaint relates to the Future Renewables managed fund or Future Super's general operations, a written response will be made as soon as possible and within 30 calendar days of receiving your complaint.

If we have not responded within the legislated timeframe, or you are not satisfied with the outcome, you may take the matter to external dispute resolution.

FUTURE SUPER

AFCA provides fair and independent financial services complaint resolution that is free to consumers.

If we have not had an opportunity to resolve your complaint first, AFCA may ask us to work with you to investigate and respond to your complaint before they commence their process.
