Who is the issuer of the Future Super fund

The Future Super fund is issued by an independent Trustee called Diversa Trustees Limited (ABN 49 006 421 638, AFSL 235153). The trustee ensures that the Future Super fund is managed in a compliant way and in the best interests of members. The trustee holds appropriate Trustee Liability Insurance. How are we paid for our services

We receive a portion of the management fees for Future Super equal to the balance of the total fee minus the investment and administration fees and the fund expense and operational risk reserves accrued in the calculation of the unit price. This fee is estimated to currently be approximately 0.889% of the Fund per annum. We will always ensure that the management fees are disclosed in an easy to understand way in the PDS and on our website. The trustee, investment manager and administrator of Future Super also receive a portion of the management fee.

All of our staff are paid a salary, and none of our staff will receive a commission if you choose to make an investment.

If you have a financial adviser and would like them to receive a commission or advice fee paid from your Future Super account, the amount of this fee will be negotiated independently between you and your adviser. You should ensure that you always receive a Statement of Advice (SoA) when receiving personal financial advice from a financial adviser. You may inform us at any time if you want to remove any advice fees from your Future Super account.
